REVISION

Nancy Graden
Red Clover Herbal Apothecary Farm
1237 35th Ave
Amery, WI 54001

Work Order Number: 2100516

This is a revised report. The details of the revision are listed in the Report Comments section of this report.

Enclosed are the results of analyses for samples received by the laboratory on 01/29/21. If there are any questions concerning this report, please feel free to contact me.

Results are not blank corrected unless noted within the report.

The results in this report apply to the samples as received.

All samples will be retained by Legend Technical Services, Inc. unless consumed in the analysis, for 30 days from the date of this report and then returned or discarded unless other arrangements are made.

Prepared by,

LEGEND TECHNICAL SERVICES, INC.

Report Comments:

1130 mg CBD per 1 oz container

At the client's request, this report was revised on February 8, 2021 to include the lot number for the sample and to change the report format. This report supercedes the report dated February 5, 2021.

Notes and Definitions

< Less than value listed

RL Reporting Limit

CFU/g Colony Forming Units per gram

Total CBD = CBD +(CBDA*0.877)

Total THC = d-9 THC + (THCA-A*0.877)

0.877 is the decarboxylation factor when converting from the acid form to the neutral form

2100516
